- **AMG access:** approve or remove Church Council (AMG) access for your members.

Events

- **New event:** title, date and time, place, picture, optional **end date/time** (date only = ends 11:59 pm) and optional **live-stream link** (YouTube or Facebook).
- Choose who it's for: the whole church, a ministry group, or a cell group.
- **Manage events & RSVPs:** edit, see the RSVP list and counts, **cancel**, **reactivate** or **delete** (delete can't be undone).
- On the live event page you can post up to 6 photos. Photos and comments are deleted 3 days after the event ends.

Announcements

- Title up to 30 characters, description up to 200, up to 3 pictures.
- Choose how long it stays: 1, 2, 7, 14 or 30 days. It is removed automatically after that.
- Members can comment (max 3 comments each, 60 characters, no links). Admins can delete comments.

Cell groups

- Add, rename or remove cell groups. Removing one sets its members to "Not yet / Not sure".
- Appoint up to **3 cell group admins** per group.

Church profile

- Church picture, gallery (up to 3 photos), short bio (120 characters), contacts (1 to 3, with role and phone), social media and map link.
- Only the owner can change the church **name** or **Kawasan**.

5. Cell group admin and area admin

Cell group admin

- Create and edit events for your own cell group.
- Post **Cell news** (with pictures) that your group members can read and comment on, and remove unsuitable comments.

Area admin

- Open RSVP → **Area** → **Manage area events**.
- Create events and announcements that every church in your Kawasan can see. They show as "Organised by" your church.

6. App moderator guide

App moderators serve all SIB churches in Sabah. The owner appoints up to 5 moderators. After appointment, ☰ shows a **Moderator** button.

Your tools (☰ → Moderator)

- **New announcement (All of Sabah):** every SIB Sabah member sees it on Home and in RSVP → **SIB Sabah**.
- **New event (All of Sabah):** shown to all members under RSVP → SIB Sabah, with RSVP, live page and stream link.
- **All-Sabah events:** edit, cancel or delete events you and other moderators posted, and see their RSVP lists.
- **Manage area admins:** appoint a church admin as area admin for their Kawasan, or remove one.

Good practice

- Post only what matters to churches across Sabah. Church news belongs with church admins; area news with area admins.
- Check spelling, date, time and place before posting. Write in Malay first; add English when helpful.
- Pick an end date for multi-day events, and a short keep time (1–7 days) for announcements that expire quickly.
- Appoint area admins who are already trusted church admins, and remove them when they step down.
- Never share members' phone numbers or personal details outside the app.

7. Help

Tap ☰ → **HELP** to message us on WhatsApp at **016-827 9936**. We usually reply within 24 hours.
